

Fingerprinting

In keeping with Newburyport's continued focus on safety, we are asking volunteers/parents to be fingerprinted in two instances:

- If you are going on a day or overnight field trip and will have direct and unmonitored contact with children;
- If you are a lunchroom volunteer and will be bringing children out to the playground. Parents who volunteer in the classroom DO NOT need to be fingerprinted, as there is always another adult present. They DO need to have a CORI background check. CORI checks expire after three years.

Massachusetts has contracted with MorphoTrust for fingerprinting. To book your appointment, visit the website at <http://www.identogo.com/>. Please be aware there is a \$35 fee for fingerprinting. Unlike a CORI, Fingerprinting does not expire.
